

WOMEN SCHOLARS OF RELIGION AND THEOLOGY

DIRECTORY FORM AND SUBSCRIPTION

The association of *Women Scholars of Religion and Theology* was founded in 1992 and is committed to facilitating networks among women who are working, studying, teaching, researching, writing and interested in religion and theology, and who live in the Asia and the Pacific regions. In recent years the Directory has been inactive, and we now wish to reactivate it, and to ensure a wide membership and interest in order to foster communication, understanding and information exchange.

To have your name and details included in the Directory of *Women Scholars of Religion and Theology*, please complete the following form and forward it to the address indicated together with your payment (in Australian dollars) by cheque or money order. Payment by credit card is also available. The Directory will be listed on the WSRT web site in early 2003, and accessible with a password, provided on receipt of subscription dues. The Directory will be updated once every six months and hard copies are available on request for members who do not have access to the internet.

Please send the completed form and payment, and address any enquiries to:
